
PAINT *the* TOWN

with SHERWIN-WILLIAMS

FOR COLOR PALETTES INSPIRED BY RELATABLE AND TIMELESS DESIGN STYLES—FROM SOUTHERN TRADITIONAL TO MODERN CONTEMPORARY—SHERWIN-WILLIAMS HAS CURATED A COLLECTION FOR DESIGNERS BY DESIGNERS.

"RECENTLY, I AM INSPIRED BY THE CAROLINA SKY COLORS. THE BLUE-PURPLE GRAYS THAT APPEAR IN THE CLOUDS AT SUNSET ARE DIFFICULT TO PRODUCE BECAUSE MANY GRAYS TEND TO GO WARM. THE NEW EMERALD DESIGNER COLLECTION HAS A WIDE COLOR OFFERING THAT WORK ARCHITECTURALLY AND EMOTIONALLY. CASTLEGATE AND SCATTERED SHOWERS ARE TWO COLORS IN THE NEW COLLECTION THAT BEAUTIFULLY REFLECT THE SKY COLORS I SEARCHED FOR."
